DETAILED ACTION

Response to Amendment

Amendment to claims 1, 5, 7, 8, and 17 and cancellation of claim 4 is noted.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney John F. Hunt on 07/09/2007.

Claim 1 (a) (line 1): Please *add* --"a"-- in between "splitting" and "bitumen".

Please *add* --"feed" -- in between "bitumen" and "into".

Please *delete* --"from" -- and *add* --"with"--.

(line 2): After "a gas plant diluent", please *delete* --"separation process"--.

Claim 17 (a) (line 1): Please *add* --"a"-- in between "splitting" and "bitumen".

Please *add* --"feed" -- in between "bitumen" and "into".

(line 2): Please *delete* --"from" -- and *add* --"with"--.

Art Unit: 1764

(lines 2 and 3): After "a gas plant diluent", please *delete* --
"separation process"--.

Claims Allowed

The following is an examiner's statement of reasons for allowance:

A process of splitting bitumen into a heavy and light fraction from a gas plant diluent separation process, wherein the gas plant diluent has a composition comprising 61-81% paraffins, 15-25% naphthenes and 5-13% aromatics, and emulsifying the heavy fraction for use as a fuel as claimed in claim 1, is not taught or fairly suggested in the prior art. Prior art teaches splitting bitumen into light and heavy fractions by atmospheric distillation followed by vacuum distillation and not by gas plant diluent separation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Prem C. Singh whose telephone number is 571-272-6381. The examiner can normally be reached on 7:00 AM to 3:30 PM.
